Serie di divani componibili che permettono molteplici possibilità di composizione. La struttura della base è in massiccio di abete e lo schienale in multistrato di pioppo curvato. L'imbottitura di fondo e del cuscino del sedile è in poliuretano espanso flessibile a quote differenziate rivestito in fibra. I cuscini dello schienale sono in piuma d'oca e sono disponibili in tre dimensioni con un particolare disegno della cucitura. Il rivestimento, in tessuto o pelle, è completamente sfoderabile. Quando è totalmente monocoloro i cuscini di schienale sono inclusi nel divano, mentre questi sono da considerarsi a parte quando hanno un colore diverso dal rivestimento della struttura. I piedini sono in PVC nero.

The back cushions are in goose feathers and are available in three sizes with a special seam design. The fabric or leather upholstery is completely removable.
