

# HYPNOS

UMBERTO ASNAGO 2017

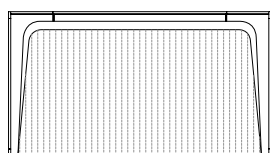

Programma di letti matrimoniali con la struttura della testata in multistrato di pioppo curvato, impiallacciatura e massiccio di noce canaletto. La testata, che al centro prevede anche un'imbottitura in poliuretano espanso rivestito in fibra, è acquistabile separatamente, perché predisposta per poter essere fissata a muro. Il giroletto, per reti da 180 e 200 cm di larghezza, con struttura in multistrato e poliuretano espanso rivestito in fibra, è attrezzato con supporti reti regolabili in altezza. La traversa centrale è in metallo verniciato con i supporti regolabili in altezza per l'utilizzo a reti singole. Il rivestimento, disponibile per la testata in tessuto trapuntato o in pelle con cuciture, è sfoderabile.

A programme of double beds with the headboard frame in curved multi-layer poplar wood, veneer and solid walnut canaletto wood. The headboard, that has in the middle a padding in expanded polyurethane covered with fibre, can be purchased separately, because it can be fixed to the wall. The bed frame, for slatted bases of 180 and 200 cm in width, in multi-layer and expanded polyurethane covered with fibre, has supports of the slatted base that can be regulated in height. The central crossbar is in painted metal with supports to regulate height to use single slat bases. The removable upholstery of the headboard is quilted in fabric or in leather with stitchings.
