LUDOVICA+ROBERTO PALOMBA 2017

Sistema di sedute componibile in due profondità, con la base in alluminio protetto, verniciato a polvere color carruba, formata da doghe in legno di afrormosia che si alternano ad altre in alluminio.

La struttura dei braccioli e degli schienali è in multistrato marino e acciaio verniciato a polvere. I cuscini seduta, braccioli e schienale sono in poliuretano espanso e fibra rivestiti con fodera waterproof.

Il rivestimento con tessuti della collezione Open-air è completamente sfoderabile, con profilo in tessuto tecnico da esterni idrorepellente con colore a scelta. Tavolini in acciaio rotondi, quadrati e rettangolari, con piano in Peltrox o in pietra lavica dell'Etna, freestanding o da fissare alla struttura della base, completano il progetto. Due perni in acciaio inox permettono di posizionare le parti imbottite e i tavolini sulle doghe in alluminio della base, rendendole removibili e posizionabili in diverse profondità. Lo schienale è disponibile anche in versione con movimento reclinabile.

## ACCESSORIO:

velo ombreggiante con struttura in pelle intrecciata color carruba o in metallo verniciato a polvere color carruba.

Modular seating system available in two depths, with the base in protected aluminium, powder painted in carob colour, made up of afrormosia wooden slats, alternated with others in aluminium.

The frame of armrests and backrests is in marine plywood and powder painted steel. The seat, armrest and backrest cushions are in expanded polyurethane and fibre with a waterproof cover.

The upholstery, with fabrics from the Open-air collection, is completely removable, with the piping in waterproof outdoor technical fabric available in various colour shades. Small round, square and rectangular tables in steel, with the top available in Peltrox or in Etna lava stone, are available either freestanding or to be fixed to the base frame. Two stainless steel pins enable to position the different padded parts and the small tables on the aluminium slats of the base, so that they can be removed and positioned at different depths. The back is also available with a reclining movement.

## ACCESSORY:

shading cover with frame in woven leather in carob colour or in metal powder painted in carob colour.
