

ATENA

2019

Vaso in vetro soffiato dalla forma irregolare, caratterizzato da una decorazione tradizionale veneziana realizzata da una foglia d'oro o argento che, con la soffiatura, si frammenta all'interno del vetro. E' disponibile in tre colori: ametista/foglia oro, latte/foglia argento satinato e acciaio/foglia argento.

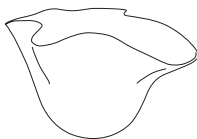

Mould-blown glass vase with an irregular shape, characterised by a traditional Venetian decoration realised with a golden or silver leaf that, with blowing, fragments within the glass. It is available in three colours: amethyst/golden leaf, satinized milk/silver leaf and steel/silver leaf.
